Re: Proposed Amendments of MCR 6.500 et seq.,  
Motions for Relief from Judgment

Dear Justice Corrigan:

Recently you received a letter from Craig A. Daly regarding the proposed amendments to MCR 6.500 et seq. Without restating Mr. Daly's letter, I believe that the observations made in his letter are accurate and valid concerns. I would like to add my voice to Mr. Daly's and urge the Court not to adopt the proposed changes.

Thank you for your attention.

Respectfully yours,
